“ *Heidi Odom Booze - Granddaughter posted a condolence I love you Mawmaw and will miss you so. I have so many sweet, funny, crazy trips, love and laughter memories that will forever keep in my memory of heart shaped box. Whenever I see a bobby pin, a hair pin roll, an Elvis plate, a deviled egg, an Easter egg hunt, a bird that needs dusting, a road map to Tennessee or Michigan, a shrimp cocktail and a Cracker Barrel ~~ I will giggle out loud! I love you to the moon and back! Give Pawpaw and Oliver a big hug for me. P.S. my spoon drawer awaits!!!*
