“ *My most sincere condolences and prayers for Jeanie and her family.*  
❤️🙏❤️

*My earliest memories of Jeanie were formed when we both became Den Mothers for our Cub Scout Troop. They were many great memories with our boys but there were also bonds forged with the adult leaders.*

*One of my favorite memories was when our Cub Scout troop planned a skating party and several of the leaders were trying to teach Jeannie to roller skate. As those eager eight year olds skated circles around us as we held Jeanie up, there were many laughs shared, many bonds formed, and many body parts bruised!*

*She readily shared her infectious laugh and her smile. This instantly made her a hit with everyone she met.*

*Jeanie, you will be sadly missed, but more importantly you will be fondly remembered!*

*Sincerely,  
Rose Schiffbauer*

“ Our sincere condolences and prayers to Jeanie's family, friends and all who were blessed to know and love her. I have so many treasured memories of growing up with her as a friend. We shared so great adventures and memories. Jeanie loved her family with everything she had. I know she is in Heaven celebrating with her beloved Michael, her mom, her brothers and her nephew, Carl Wesley and all those she loved who are there to welcome her. She was a loving, caring, giving, beautiful young lady. Jeanie is so proud of all of you and will be loving and watching over you from her heavenly home. May God, hold you all close during this difficult time.
