“ *Michele Rodriguez - Friend (Old) posted a condolence Awilda and family - my thoughts and prayers are with you. Very sorry about Cookie passing, she was a funny cool person, been a long time since I had seen her. Wish so much time had not passed, I am sure she will be missed and remembered by many. I remember her favorite saying "For days"..I will never forget how she said that and how many stories we have with Cookie, and the times she would say "For day" Stay strong and close to each other, for days!!! Love, Michele "Mookie Malone" Rodriguez*
