“ Good morning miss Doris families, it is my sympathy to all of us that comes from the bottom of my heart. May miss Doris rest in peace no suffer and no worry for her anymore. She was a very nice person and always asking questions. Like what you doing, where do I leave, do you go to school, and how many people do you have to take care in this house? I miss her smiling when I went to her room to check on her and I found she's awake and I said why you sleep and smiling and said I don't know. So, she was a wonderful person and was nice to take care her for almost two years.
