

Doris Faye O'Neill

April 1, 1934 - June 14, 2018

Doris Faye O'Neill, 84, a longtime resident of Apopka/Longwood Florida peacefully joined our Lord on Thursday June 14th, 2018. She was born in Staten Island, New York, to James and Frances O'Neill.

During her final days she was lovingly cared for by the wonderful staff of The Hospice of the Comforter, surrounded by her family and friends. The family would especially like to thank her dearest friend, Ginger Gallese, for all of her love, support and tireless devotion to Doris.

Doris was deeply devoted to our Lord and believed in the power of prayer. She was quick witted, always ready to tell a joke, looking to make everyone smile. She will be sorely missed by all who were lucky enough to know her.

A mass to celebrate her life will take place on Tuesday, June 19th, 2018 at 9:30 in the morning at Annunciation Church, Montgomery Road, Altamonte Springs, Florida.

“ *My beloved cousin Dory.... I learned much about the universal human experience from Doris. She taught compassion, easily. I will forever be grateful for her presence in my life. I have no doubt that wherever her spirit may roam there will always be "an elegancy of sufficiency". And she will enjoy it too! "Merry meet, Merry part, & Merry meet again"! Blessed Be Doris. “ *As we all know, during the last years of her life, Doris had many health problems but I never heard her complain. Whenever I talked to her on the phone, she was upbeat and always had me laughing. She had a wonderful sense of humor and always had a joke or two to tell me. I was fortunate to visit her in Florida 2 or 3 times in the last few years and really enjoyed my visits. I am sad that she is no longer with us, but glad she is in a better place. I know that she was ready to leave this world and go to the Lord. Condolences to Jimmy. Love, Cousin Betty Murphy*

“ My dear cousin made me feel like a queen. I'll miss her jokes but most of all I'll miss her prayers, support, and wisdom.

“ My Aunt Doris was a character. Nothing ever got past her. Nothing. Ever. She was a very religious person who prayed for everyone. Everyday. No matter what. We didn't always get along throughout our lives, but the last five years we had become close friends. It turned out we were more alike than different. I shall miss her very much as will her devoted friends. Rest In Peace Aunt Doris. Please watch over us.

“ *My Aunt Doris was a real character. Nothing got by her. Ever. She was very religious, deeply devoted to prayer. Yet, she always was ready to make you laugh.*

We weren't always close throughout our lives, but had become great friends the last 5 years. Her love of life and tough independence were remarkable. Nothing got in her way.

I, along with her many friends, will miss her terribly. Rest In Peace now, Doris. Please watch over us.
