“ *My grandma helped raised me and my brother when we where kids and where a big part of are lives. Lived with us for a while, cooked for us was home when I got home from school, she played numerous games with me, danced with me, taught me how to do cart wheels and many more memories I have with her. She was a strong person that went through a lot in her life but I always admired how much she loved God, Church and her Family what a compassionate person she was and I am sure she is having the time of her life in heaven and loving it! She deserves it! Love and Miss you Grandma but I will see you again!*

“ *My Dearest Grandmother, you have been truly loved and will be deeply missed. You were there when I came into this world, and I was there when you left this world. That was a privilege that God had given to me, and I will never forget that. Now you are in heaven, in peace and pain free.*

*Love you always,
Your Grand-daughter, Tamie*

“ *My earliest memories of Grandma Dorothy are from when she had her own little apartment on Hiawasse. One of the memories that makes me laugh is a day Tom and I took our kids to meet with Mary, Jennifer and Grandma at our local Cracker Barrel. Brandi and Grandma Dorothy danced their way through store and into the restaurant. She never stopped having a good time, or being the life of the party. Tom has shared a lot of great memories from when he was a kid. What a lady she was. If we keep telling her stories then she will always be here.*
