“ *Shirley Shavers - Friend posted a condolence Nick and family: I was so sorry to hear of Dorothy's passing. I was at the service today and heard all the kind words and stories. She was a wonderful person and gentle soul. When I was the head of the church nursery she was a volunteer. She was always so kind and gentle with the children and only quit the nursery when she felt she could no longer safely hold the little ones. Every time I ran into her she had kind words and always showed concern for my family. I have not seen her in quite some time, but thought of her often. I pray that you and your family will find strength in knowing how everyone felt about her. She touched many lives and will be deeply missed.*
