“ We moved to Florida in 2009. You were one of the first people we met. You were so kind a gracious. We became fast friends. We only stayed in Florida for 3 months but you put your fingerprints on our hearts. We stayed in touch throughout the years. We were devastated when we heard you passed. As it says “You will truly meet some of us...”We were so lucky we met you. R.I.P. my friend.

“ Dearest Doug,

*I'll never forget the first time I met you. So energetic, happy disposition, Loud and welcoming me. You inspired me. I wanted to be happy, joyous and free. Just like you. When I asked you to be my sponsor, you didn't hesitate. You said yes. I learned so much from you. Working the steps with you, helped me see what I did wrong, and how to live a sober life. You made everything fun.*

*Because of you, I found myself. For years I hid behind the bottle. Because of you, I've been sober for 9 years. Because of you, I've found peace and serenity. Because of you, I'm a better man to my family and friends.*

*I will never forget you. I will always be grateful for your unconditional love you offered to me.*

*I'm gonna miss you dearly. There will always be a place for you in my heart. GOD now has received his special angel. R.I.P.*

*With All My Love,*

*Allan*
