“ We met Michael when he was dating Debbie and instantly liked him. I was so happy to be in their wedding party, Our friendship lasted for our 43 years and loved him for the compassionate and generous man that he was. We haven't seen each other much in past few years but I know how he loved his bride and their family. You touched many lives and will be missed more than anyone could ever say.

“ My family and I met The Schill Family in 1997 at Hackensack Medical Ctr. My son Derrick was preparing for a bone marrow transplant. I remember seeing a family come in directly across the hall, and Deb was crying. I walked right in and just hugged her. We were friends and a support system for one another. My mom was having a problem with her knee, and Michael being the great doctor and man he was fixed her knee. The Pickett Johnson Family send you our heartfelt condolences and prayers. We love you all. 🙏🙏.

“ I worked at Sparta schools with George. I would go on Saturdays to watch and give support to George when he participated in the Special Olympics. After this of course George invited my daughter and myself to lunch! It was j7st fine with Michael - he even insisted that we go - and the lunch was on him! He sure was devoted to George and his family - what a wonderful, generous man he was. I know he will be missed dearly. Offering prayers for Michael and his family. 🙏🙏🙏
