“ *So sad to here this. Dwayne was one of the kindest and most thoughtful people I knew. I knew Dwayne during our days at Bally's and Paris. I loved working his convention groups. He was meticulous and dedicated and made my job a whole lot easier when it came time to bill. He took my daughter under his wing when she got her first job in sales and taught her the patience and grace it took to be in the hospitality business. I often think of the bill reviews we had together. He always had a smile and a kind word. Heaven gained a true gentleman. He will be missed by many. Love and prayers to your family.
