“ Allen Markway - Friend Of Betty Suran posted a condolence Even though I do not know Mr. Gehringer, I do know a lot about what type of person he was, as he lives on within the heart & spirit of his daughter, Betty, who I have had the pleasure of meeting and being able to call her a 'friend'. If this is any indication of the type of person he was, then I feel very comfortable that he was a good person, and what more in this world can we ask for? Understanding that this is a difficult time, we must always remember that we can't have all the benefits of a wonderful life without the benefits of a wonderful life after! I want to let you know that you will remain in my thoughts and prayers, and know that they will remain with you!
Sincerely, Allen Markway
