My condolences to Jay and Jessica and the rest of the family. Sadly, I just found out of Leroy's passing. He was a great man and I am glad I was able to be part of the family for so many years. He was always so proud of Jay and Jessica. I loved hanging around with him because he always had such great stories to tell. Rest in Peace Leroy.

“ *Uncle Leroy often played card games and dice games with my sister and I whenever he visited on the road with his truck. I will remember him laughing and playing.*

“ Sending condolences to Jay and family. Uncle Leroy taught me card games and dice games whenever he would visit us (His sister, Barbara is my mother) on his trucking runs. We enjoyed playing games with him. Wishing you comfort in these difficult times.
