“ *Allan J. Sansotta - Friend posted a condolence I am sorry I am unable to attend the Memorial Service for Earl in person. I am bedridden with the 'flu. Please accept my sincere condolences for your loss. Earl and I were good friends through our association with the Ohio State Alumni. We attended many dinner meetings in Tampa together, and I always looked forward to spending time with him. We had several common friends stretching back over 40 years when I first met him. I will miss him. Allan Sansotta*
