“ Papa wasn't just my grandpa — he was the heart of our family. He raised me, guided me, and showed me what love, strength, and devotion truly mean. He was my constant — steady, caring, and full of heart. Watching the way he loved my kids filled me with such deep gratitude and showed just how far his love reached through generations. They adored their Papa just as much as I did. His warmth and unshakable spirit shaped me to who I am today, and I'll forever be thankful for the life and love he gave me. We'll carry his stories, his laughter, and his love with us always. With all my heart , I love you papa ❤️
