“ Words can not express the loss of this Beautiful Lady I called Mom, C.J. and I will always miss her. I light my candles every morning for her and tell her how much I Loved her and still do. My heart aches for her. I never thought I would ever lose her, She was a fighter till the end, and I fought with her to keep her. But God had the upper hand and took her away that early morn. But I got to be with her till the end, and I would do it all over again, I Love You Maw
