“ I will always remember Eduardo and working together at Orange County Public Schools administration office in Orlando. I can safely say I learned a tremendous amount from Eduardo about office politics and the impact on careers and your personal life. I can safely say that in that respect Eduardo was a mentor to me and helped me throughout my career after moving to another state. To me he had a tremendous personality and his wife was very kind to my family. I will always be grateful to Eduardo and look forward to the day we can meet again in a better place. God Bless All.

“ I remember how Ed and I first met. We were both into tennis. I drove over to Lyman High School tennis courts looking for a tennis game. Ed was on one of the courts by himself just hitting serves. So I asked if he wanted to hit some. From that day on we played tennis together every Saturday and Sunday mornings for years. Then my wife and I got to meet Blanca and their son. Those memories I will always remember about Ed. He was a good man and a good friend. RIC H.
