“ *Pete Williams - Friend posted a condolence I have never meet a better person in my life then Ed. I holds so many memories of him. My heart goes out to Juley, Reece and Roman. We all lost a good one. He felt like a brother to me, he was a great ball player, but he was a better person. Ed go for the green on cloud nine, I will always have a place in my heart for you and your family. God Bless.*

“ *Richie Ryals - Friend posted a condolence I was extremely saddened to hear of the passing of Eddie. While I haven't seen Eddie for awhile, when talking of both the finer slow pitch softball players in the area or of the "characters of the game", Eddie's name always comes up. My umpire partner's (usually Danny McCurdy) and I knew during his games to wait and watch for a display of his athleticism or his timely banter. Many times during the tensest of moments during our games Eddie would look at me, smile and say "It's only a game, but, God don't we love it?" Thanks for the memories, Eddie, and thanks for the smiles!*

“ Rob Manning - Friend of the Family posted a condolence I first met Ed at the 2011 Stone Crab Festival, in Crystal River, and immediately became one of his legions of fans. I met Ed through Juley, and could tell right away he was a great guy. He was always smiling, was very welcoming and had a great attitude. Ed knew how to have a good time. As we got to know him better over the last 3 years it was very apparent how much he loved his family. We will miss Ed very much. Our deepest sympathies are with the Haddick & Roman families. The Manning Family Rob & Beth, Katie and Kristan, Jan and Kevin (That is a great picture of Ed, by the way!)

“ Jeff&JosieLucas - Friends of Family posted a condolence *Dear, Juley,Roman,Reese and Haddick Family We have no words to express how saddened we were to hear of your loss. Someone posted the most beautiful song on Ed's facebook page. I opened it at my granddaughters softball field. I could only weep as it was so beautiful.(Imagine that hearing it at the softball field and knowing how much Ed loved softball, basketball, golf and mostly how Ed loved his family!) Yes he always had a smile on his face to everyone he came around and to Jeff, that was his brother. He loved him, and he was so blessed to spend time with him, the Saturday before he passed. Jeffery has so many more memories as they go way, way, back to a time before I came along, Yet Eddie accepted me as part of his family too. We don't understand today why and may never know why on this earth. God's need for him was now. Just know you have friends who truly love you all and if you all ever need anything please do not hesitate. Love and Prayers Jeff and Josie Lucas*

“ Danny McCurdy - Friend--umpire posted a condolence My heart and prayers to the family of Eddie Haddick. Eddie was one of the best softball players and atheletes I have ever met, he was a great hitter and could throw you out from the fence to home plate.He was an even better person. His great smile and outgoing personality was unmatched. I once called him out for leaving first base too soon and he came up to me to apologize for his initial response and he said I know I left early Mister McCurdy but I just want to make ir look good , we both laughed and from that day on He called me Mr. McCurdy. He was a true gentleman, be proud of him we were all lucky to have him our lives. Sincerely Danny

“ Rick Whiteman - Friend posted a condolence Julie, Reece, Roman.... My deepest sympathy.. Ed will be missed by all who knew him. He was one of the best Dads around, a good man with a huge heart filled happiness and joy. Roman (Like my 4th son and brother to Rickey) I'll always be here if you need anything. Ed must have picked up and dropped off Roman from my house over 5,000 times. Anytime Roman needed him or needed his shoes shirt and tie (hahaha) Ed was always there. Great times at every baseball game sitting in the shade watching our boys of summer and cheering when they made us proud and proud to curse under our breath pace back and forth and kick the dirt when they screwed up. Celebrate and smile when you think of Ed. He lived everyday to the fullest.....

“ *Juley - Spouse posted a condolence Babe..you were a wonderful husband and an "on hands" father. You loved life and it loved you right back. You loved me unconditionally like you did your kids..and I'll ALWAYS be grateful for that. Your legions of fans are abundant., as well as being thoughtful and kind. What more could a man want in life ? I'm proud to have been your wife of 25 years and although we didn't have the "Cinderella" fairy tale marriage.. "The Notebook" version worked for us somehow. We got things "out there" and we carried on. We produced two beautiful children - whom you'd be even more proud of since your passing. Your son has become a man and has graciously and proudly assumed his position of the man of the house and your daughter has been helping him along the way. You (and The Lord) have given me the best gifts in my life and I thank you for that. I love you..I miss you and I don't know what I'll do without you but you'll always be in my heart and in Roman and Reese and we'll carry on- as we know that's what you'd have wanted. Tell dad,grandma and grandpa and Uncle Paul we love them and I'll bet you and Dom have already played a few rounds of golf. ILYFE*
