“ I miss my father with a vengeance. I was no where near ready for him to leave me. He was my hero, my best buddy, my first love. He can make you laugh just by answering a telemarketing phone call. I'm gonna miss him so much. But I find peace in knowing my parents are dancing together again.

Uncle Eddie was always one of my funny uncles. Loved having a good time, sassy and just a joy to be around. I am grateful I got to have him as my uncle. You are missed uncle Eddie and will always be remembered.
