“ Hey old neighbor, We want the world to know that you were the **BEST NEIGHBOR** on Country Club Dr - or anywhere - that anyone could possibly have - during the 22 years before our year 2000 move down to the Dr Phillips area. That even includes the time when "Lars" nipped Ted on the butt. We've certainly missed you these last few years. Our deepest respect for you goes along with our sympathy and sincerest condolences to your family and loved ones. It's all smooth cruising from here on! Ted and Pilar Tristram and family.

I worked with Ed for many years on F-14 Simulators. He represented the Government well and was one of the good guys who was able to work with the contractors for the benefit of the trainer program. I will miss our periodic lunches we shared over the past few years.
