“ *Ed Coad was a fun loving individual that always brought smiles to faces when he entered a room. His refreshing wit and sense of humor made him a pleasure to be around. Somehow you get the feeling that he is looking down at us right now cracking jokes with the angles. He will be missed by all of us who knew him.*

“ *If there's a definition of "cool people" somewhere Ed is for sure ranked high on the list. Always had some positive, witty/smartass comments that made you think and laugh! I had the pleasure of knowing him and his lovely wife, children and grandchildren, and know he's someplace else right now lighting up the room for those around him like he did here so carry on my friend, hope to meet you again!*
