“ I have know Eileen for many years. A number of years ago when I was the president of the Retired Officers' Wives Club of Central Florida she served as my recording secretary and did a wonderful job under some trying circumstances. We have spoken of this and laughed about the times on many occasions. She continued to volunteer with the ROWC in the position of Luncheon Reservation Committee Member for the ladies whose names were listed in alphabet M-Z. She was also a member of our monthly lunch group and she always looked forward to this outing and before moving to the Mayflower she would take dinner home for John. We shared good times and she will be missed. Peaceful rest dear friend and prayers go with you.
