“ Oh, Aaron; I am so saddened by the passing of your mom. I didn't know until today. Even though the years have passed since I was part of her life I will always remember her as a beautiful, loving, caring woman, and always a joy to be around. I don't know if you knew this or not but she was my maid of honor at my wedding to Allen. The morning of the wedding, her and your dad had me come to their home to relax and have some quiet time beforehand. I actually took a bath (which I rarely-rarely do); but they were both just so sweet and went the extra mile to make a day a special one. She and your dad will forever be in my heart. Hugs to you all.
