“ Elaine was our friend, mentor, and neighbor for many years and she will be missed by all who knew her. Elaine was the epitome of a lady that made a major impact in her community for which she'll always be remembered. We send love to her wonderful family that loved her dearly. I know they will miss her wise words and tender love, as so many will.

*May God's love give you peace and comfort in the days to come.
Love you all,*
