“ Dearest Nancy, Carol, Barry, Jay, Phyllis and Family,

Sending you my deepest heart-felt sympathy at this time of great loss! I was so very sorry to hear of your Mother's passing! She always had a way of making me feel extra special every time I saw her...and she always had a smile on her face for me! I still remember you inviting me to come over to your house and play for the first time ever in third grade Nancy...and you and your family are just a huge part of my childhood and life!!! I thought you all had the coolest house in the neighborhood, the best swimming hole in all of Lake Mary, and your Mom grew the prettiest flowers ever! Of course my favorite memory of your Mom is that time we were playing outside and she surprised us with those raspberry floats in those ice cold tin goblets! Right then and there she had my vote for the coolest Mom ever!!!! I love you all dearly!!! The picture that you shared here is exactly how I will always remember your Mom...with her beautiful smile! Love, Sharon Muse See

“ Dear Nancy and family,

I'm thinking of you all not only in your loss, but in this time when saying goodbye doesn't allow you to say goodbye as you would want. It's the memories of the fun times, the custom holiday rituals, and words of encouragement from your Mom, Grandmother, Great-grandmother and friend that will keep her spirit with you. Peace and comfort to each of you.
