“ *I will always remember the times we had together. Playing bingo, going to the casino, playing skip-bo, spending holidays together, fishing at her house etc. I love and miss you so much Granny, you will always be in my heart.*

“ *Mom , t j, Betty and I went to hard Rock, we had a great Time , ate good food, stayed there to early morning, mom , TJ, and Betty all did real good, mom hung in there till everyone was ready to go even though she was hurting, some of my lastest memories of her was there , seeing her , having fun trying to hit the big jackpot, she always did for others, before herself*
