“ We always enjoyed Helen's company. She had such a good sense of humor and when asked always had wise advice to offer. We will never forget the periwinkle soup she made. She will be missed.

“ I lived across the street from Helen during my junior and senior high school days. Those are tough years and having someone to talk to is so important to a teenager. Some of my greatest memories of times spent in her kitchen. She was always willing to listen. I know there is a special place for you in Heaven...and pray for comfort and strength to all those who love you as the "letting go" process isn't easy. Please say "hi" to my mom and dad. I know there is a lot of catching up to do!
