“ I was so blessed to have been given the opportunity to care for Ms. Jean in early 2017. We had so much fun just hanging out together, chatting, watching game shows from the 70's, taking drives to see the city sights, going to her fav hair salon and enjoying special eatery's in town; but my fav was cooking my specialties for her! She was a precious woman who loved the Lord, her family, her church and life itself. I will always treasure the memories we made and the gift she was to me, my friend.

*My love and prayers are with her family. ~ Debi René*

*I will forever remember Ms Jean standing in front of the church leading the choir and church in song. She had the most genuine smile. I'm so sure she is singing with the angels now. My sincere sympathies to her wonderful family.*
