“ My sweet Woody, the unit will never be the same again! We all miss you terribly! I cannot even imagine a Halloween parade without you and Sharonda matching costumes in some way! My favorite one when you were our old Saloon bartender! You were hysterical! I miss your, “Hey pretty lady” in the mornings. You were always so funny! Christmas won’t be a fun either, heck, nothing will be. You were a huge part of Oak Tree Village, and we all adore you. Sleep in peace seeet Woody, I love you. Weasy
