“ My parents, Fred & Marge Matthews, knew Elmer & Helen. I believe Daddy and Elmer were both stationed, with the USAF, in Florida. Daddy died back in 1988, but I know that Mom kept in touch with Helen and Elmer, then just Elmer after Helen died. Mom used to share her memories of the two of them with me. Mom turned 94 in May. She died August 14, eleven days before Elmer. May they both enjoy being with their loves. God Bless the Mears family. 🙏🏻
