“ *Sandy Deason - Cousin posted a condolence Dear Doug and Wyndal, You are in my daily thoughts and prayers. I have so many great memories of our families and growing up with each other. A memory that just popped in my mind was on one Sunday Uncle Elster dropped by our house. He got there before we arrived. He saw a jar of instant coffee on top of the refrigerator. So, he made himself a cup of coffee. What he didn't know was, we had been on a trip and brought back some soil & we had stored it in the coffee jar. He made himself a cup of dirty water! When we arrived home to discover what happened, we all had a wonderful laugh together. He was a great man! My love to all, Sandy Deason*
