Tribute Wall

“ Still in shock. Emilio and I hung out during our time of University of Illinois ~1994. Then our paths crossed again when we worked together in Orlando at HD Supply ~2006-2007. When our mutual friend Alberto Romero died In Cuba in 2015, Emilio was devastated. Emilio was such a great, easy going guy. Hope he is partying with Alberto now... his time here was much too short. Love, Michael Kleinkemper
