“ I attended high school with Eric- we graduated together in 1979. His life has always reflected a good heart, kind soul and the desire to live life to it's fullest. I lost touch with him over the years and was glad I found him again on Facebook -- I have so enjoyed keeping up with his journey. My thoughts and prayers go out to his family and the friends who have kept him close. The world has lost a good man and heaven is his reward-- I will miss him.

“ Eric is my first cousin. His mother and my dad were siblings. My family’s stints overseas or being stationed at West Coast bases made our interaction very limited. I can only cherish the childhood memories of being at the beach in North Carolina and when I passed through Colorado once in adulthood and touched base with him. We met up in a parking lot as he roared up on his Harley and spent a couple hours getting caught up. My sincere condolences to his wife, children and his sister. Rest in peace Eric. Liz Moseley

“ I remember when Eric was born. Our grandmother made him and his mother stay upstairs for six weeks. Those were the good old days. Now he is at his mom's side along with the other family members. I can see it now. Nothing but smiles.
