HE

“ I had the pleasure of taking care of Ernest for about 5 years. He was the light of my day. I used to decorate his room for the holidays and he really enjoyed it. I enjoyed doing it for him. I am going to miss him so much. I am so honored and grateful that I got to know him and have him be a part of my life. RIP Ernesto the great, I love you!!!

KC

“ You was a brother who was always there for you.. We had alot of fun times and a lot of bad when someone made fun of your cerebral palsey.. Than sister here always came to your defense...Baby loved you like a brother so you can be with him and Mom in heaven.. You was always a Mommy boys anyhow.. Say hi to our little brother Eddie who is with you now too...R.I.P.Junior ..I love you and will miss you
