*Hi Poppa! I love you, miss you and think of you a lot! I will never forget the time when you taught me how to drive a car. I felt so grown up and to be able to drive your car - that was great. Also your special nickname for me - you always called me Angel. Linda was Bubbles because she had bubbly cheeks and Sandy was Peewee because she was small and dainty. Butch on the other hand was always Butch, your only Son! Thank you for the vision of you I saw early one morning soon after you passed. With your fist closed you tapped over your heart and I believe that you were letting me know that you love me. I believe your Mom and Dad were there too, just off to the side. I love you Poppa and hope to see you when my time comes for me to move on too.*
