“ *Patty, Caitlin, Dylan, Brian, and Bailey McConnell - Friend and Neighbor posted a condolence Gene Egg was our friend. Gene was friend to all, whether you were a stranger walking your dog at Crescent Lake Park or a next door neighbor as we were...you could always count on Gene for his warm greeting and that big broad smile of his. Gene was a gentlemen's gentlemen. He always cared more about what was going on in your life than he did in sharing any struggles he may have been experiencing. In all the years we've known Gene he never had a crossed word to say about anyone...there aren't many of us that can say that. His joy for life and for people was contagious. For us Gene was the Crescent Lake neighborhood. He was one of the first people to welcome us to the neighborhood and through his joy and grace he made us feel welcomed everyday since. The neighborhood is not the same without Gene Egg...the world is not the same without Gene for that matter. When Gene left all of us to be with his beloved wife and his GOD, his departure left a great big void in many people's lives...avoid that will be impossible to fill. Rest in peace Gene. Our love and prayers are with you and your family as you cross over to be with the Lord. Thank you for your love and friendship. We will never forget you and the role you played in our lives.*
