“ Oh, Alice, when I opened my mail yesterday and read about Gene, I was deeply saddened for you and your family. I have fond memories of him greeting me at Gribble Interiors. He always made me feel welcomed and special. The love you shared with him was exceptionally special with two exceptionally special people. And, I know you and yours will always remember the love. May God rest his soul. Regina Hall

“ He was a great man. My name is Roy David Ray Jr I was his UPS driver for a very long time. He worked with my father at Martin Marietta. I had a lot of respect for him and Alice and Grant. They are a wonderful family. I will miss him very much. I am very sorry for Alice and Grant.

“ My father was our hero. My brother, mother, and myself were so fortunate to have so many years together. Though our hearts are broken, I know he is with us forever. I love you DAD.

Gene Gribble will always be remembered as a righteous, moral and warm friend. His actions in every situation could only be described as stellar. He left the best legacy of all to his family - his faith and his example. He adored his cute Alice so much and loved his sons and grandchildren. I will miss his great hugs!

*Love to his family-
