“ *To a very special family,*

We've grown up together and shared many happy memories. I will always remember India as a vibrant and energetic woman. I am fortunate to be a part of this family and will always remember the good times, dances and laughter.

My condolences and prayers are with all of you. Know that she is now at peace and resting in His hands. May the good Lord bless you and give you comfort in knowing that her carefree spirit will live on forever through the legacy that she leaves in all of you.

God Bless you all, rest in peace India,

Lourdes Lopez

“ Dear Yadira and family, I am looking at your mom's picture as I write to you to say that The Lord called Eugenia home to rest a little while. My prayer to you all is that Our Heavenly Daddy continue to wrap His loving arms around you, caress you, smother you with His love, use His shoulders as resting pillars. Heavenly Daddy, whisper in each family and friend's ear, Weeping may endure for a night but Your Joy comes in the morning ! Yadira and family, India is alright ! She's with Jesus and she is having a ball ! We should want to be so blessed. Absent from the body, present with The Lord ! In Jesus name I pray. Amen ! Mike Adams, Fellow Realtor of Eugenia Mejias.

“ *India, I will never forget how you lit up the "dance floor" at every family party. You are truly a gem. I wish I had the opportunity to know you a little bit better but our acquaintance is worthy enough for me to be able to always consider you as my great aunt. I'm glad I took the chance to be a part of your last birthday celebration with the family. May you forever keep dancing in paradise. Give my Welo and my kids daddy big xoxo. Heaven has gained another angel. RIP <3*

“ *I recently came across a picture of India and my Grandmother Hilda. As I reflect on that picture, I am reminded that It is because of the connection of these 2 families, that I am blessed to have been "adopted" into such a fun filled family (through my precious Godmother, Daly). In my Fathers' House are many mansions. India has always been fun and lively and I believe that she is "living it up" and is being held in the Best Hands! Prayers for Peace, strength, love and encouragement to the family in this season of loss. God Bless. Love Daphne*

“ So sorry to hear the passing of India. My thoughts and prayers are with the family. She was always a fun person to be around and was like a magnet where people seemed to gravitate towards her young or old.

“ I am deeply saddened that India has passed. India will live forever in my heart, and I will always remember her with a smile, love, and affection. She was a person who loved life and everybody. She was beautiful inside and out -- like a beautiful rose. She could dance anybody under the table, and her energy was contagious. Rest in peace beautiful India.
