

## Eunice Josephine Williams

July 22, 1937 - April 4, 2020

On July 22, 1937 in the cool parish of St. Elizabeth, Jamaica, an angel came into this world - Eunice Josephine Williams. She touched many lives, she opened her home to numerous young people without reservation. Our hearts ache as you go on to your next journey. We loved you and you loved us more. Though our hearts ache we are comforted knowing you're in the arms of God. You were truly a Stalwart and a Matriarch.
