“ I knew Eva many years ago. She was a force to be reckoned with. I was sure she would easily live to be 100. So many interests. So many talents. I bought one of her gord masks. Terrifying! RiP, Eva. You had a great run here on earth.

“ *Eva, my dear friend , in the arms of the angels. She will be very sorely missed by all the members of her Tai Chi Ch'uan group at the downtown YMCA who were privileged to call her friend. I will miss most our afternoon chats and the laughter and wisdom she shared.*

“ *I only met Eva once when she had some of us from the Friendship Force to dinner last year. She prepared delicious beef bourguignon and was so gracious. It was fun to see and hear about her beautiful artwork. What a remarkable and talented woman. Want to send my condolences to her family. Michele Dobrin*

“ I was lucky enough to take a basket weaving class from Eva many many years ago. I still get compliments when people see that basket. Such a great talent and teacher to many.

Now I am a member of Friendship Force of Greater Orlando. While Eva has been a long -time member, she has been unable to attend many of the recent meetings. I know she added much to the FFGO membership and will be missed.

Eva will be sorely missed. The Walsh family have my deepest sympathy. Eva and I serve on the Vestry together at the Episcopal Church of the Good Shepherd. She was a positive support person. I will always wear the necklace she designed with pride.
