“ Bobby, Stuart, & Amy, we are so sorry for your loss. Evelyn was a true gift to this world. She was so kind and caring. We have wonderful memories of seeing her over the years when Bob worked with Bobby and Stuart. We know that she is in heaven and out of pain and at peace. We continue to keep you in our prayers and hope that God's grace will carry you through the difficult days ahead. Love, Bob, Tina, & Nickie "from the station."

“ I have so many wonderful memories on Evelyn I can't pick one. However I would like to say she was a big part of my life. I could go to her for the good parts of my life and for the bad. She was also a good secret keeper. I will miss her smile , her laughter and caring way. I love you Evelyn and I will see on the other side.

“ *I did not know Evelyn very long...just since she and Bob moved to Longwood.*

But when we met, it was instant chemistry.

She made me laugh and prayed for me going through my cancer.

We would sit together and make each other laugh and talk about our treatments and boost each other up! We talked about family and grandchildren but mostly about love and God.

We both have a deep faith and trust in Our Lord.. I know she is in Heaven with the angels but I will miss her terribly. Good and special friends are very rare but we were blessed to have found each other even for a short time. I love you Evelyn.

“ *Evelyn and I did not know each other very long; only since we became neighbors when they moved to Longwood. When we met, something just clicked and we became so close in our friendship With both of us battling cancer, we had a lot in common. We shared laughs and tears and bolstered each other up when things weren't going so well. We talked about our families and especially our grandchildren. But most of all, we talked about love and God. We both had a deep faith. The last thing she said to me over the phone was I love you...and she knew how much I loved her. I shall miss her dearly. She was a blessing to come into my life.*

“ *I'm a Publix of Lake Mary customer and got to know sweet Evelyn at the bakery over the years. She was such a kind and friendly lady. I had the privilege of having lunch with her last month and was shocked when I found out she had passed away. I'm truly going to miss her smiling face at the bakery and our lovely conversations 💔.*
