Faith was predeceased by her brothers, Harold Standring and his wife Judy, Ronald Standring and his wife Joan, William Standring and Paul Standring; and her sisters-in-law Maryellen Standring and Colleen Standring. She was born in Auburn, MA, daughter of the late Harold and Imelda (Cadarette) Standring. Faith was educated in Auburn and graduated from

Auburn High School.

Faith worked in the mortgage industry for several years, but the true focus of her life was her family, to whom she devoted countless hours supporting their educational and recreational activities. Faith was a doting Grammie, showering her grandchildren with affection and attention. She reveled in attending their sporting, educational, agricultural, musical, and dance activities. She researched and then created individualized hand-made gifts for the grandchildren's friends and classmates for holidays and special occasions. Faith also enjoyed entertaining family and friends, and was famous for her parties, particularly the annual Super Bowl blast. She was a member of the Women's Auxiliary at the local VFW, and was involved in numerous fundraising activities for the Post. She loved traveling the US to visit family and landmarks across the country. She also traveled extensively abroad and has visited Switzerland, Turkey, China, and the Caribbean Islands, as well as other countries.

In lieu of flowers, memorial donations may be made to the AdventHealth Hospice Care Central Florida, who provided Faith and her family with support and comfort in their time of need.

“ I knew Faith from when we were kids. She was a cousin of Lois Ann, Dee, and Billy Cadorette (Faith's mother was their fathers sister and they were my cousins through my mother Rita and there Mother Lorraine. (sorry if spelling is off) The Standrings lived just down the street from the them, we all lived in Auburn, Massachusetts at the time. Faith was the only daughter among a whole bunch of brothers. Anyway, I'm sorry to hear that she past, my condolences to all her family and friends.

“ *To Jim and the entire Fritze family.  
Sheri and I along with the entire Allen family wish to extend our sincere sympathies to you and your family. We had great times together and will always cherish Faith's hearty laugh and sense of humor. Those Gamewell days were among the best times of my life. I can honestly say that Sheri and I would not have been a couple, had not Jim talked me into marrying her (over a few beers). It was a good decision and your example of a married couple deeply in love was instrumental in that.  
With much love,  
Jon*

“ *She was a beautiful soul. She loved everyone and always had open arms. I'm so thankful to have been blessed with her love as a child, throughout my teenage years and into my adult life. She was a mother figure for me and I will always cherish that. My love and prayers go out to the entire family as I know how deeply she will be missed.*
