“ Hello grandma it's Monica. I miss you so very much. Its almost been three long years since you have been gone. I still am taking everything day by day. It's like everyone paused when you left. I try not to cry when I think about you but my heart hurts so bad. You were my safety and now that you are not here I don't feel safe. I regret not being with you more the last couple years of your life. I could use one more hug and one more kiss. Everyone tells me how much I look like you but I already know that, you reminded me all the time. It was such an honor to be raised by you. I don't know where I would be if I didn't have you and I am eternally grateful to God for giving me you.
