“ *I have known Faye and Don for many years. In recent years, we often had supper together on Friday nights at the Patio Grill. First it was Mom and I , and later my husband David and me. I enjoyed Faye's recollections of her life as a Marine wife, and later working for HR Block, the City of Sanford, and Sunniland Corp. She taught herself how to read music, and I also enjoy her organ CDs which Don made for all the members of our ham radio club. My Mom often listened to them too because she played organ also. Faye was faithful to her family and also was able to make time for her music. Thankful to have known her and my heart goes out to Don, Jackeye, and Shawn.*

“ My sympathies to the Colvin family. Faye and I were in the same classes in school and I always remembered her as a kind and smart classmate. This is such a difficult time for all the family and friends and I pray for you during this time.

Faye was my best friend from the eighth grade, all the way through high school, ended up being my sister in law and I still considered her as my best friend, I knew her for 68 years. I will miss her very much.
