“ *Dear Mother,  
I just can't help being a little selfish for not wanting to let you go, but I know you are in a much better place.  
I will always cherish all of our time together shopping & going to Red Lobster for your favorite lunch & especially talking politics...  
I will never stop missing you!*

“ *Dear Mommy, I know you are in Heaven with Daddy and all of your family and friends that have gone before you and rejoicing! You are the strongest person I have ever known fighting hard the last years of your life to take care of yourself. I take comfort in knowing you had a wonderful last Christmas with us. There are so many memories I have in my heart to cherish. You loved your family unconditionally and were always there for all of us when we needed you most. I have learned a lot from you in ways I could never explain. We were all blessed as a family to call you Mommy, Mother, Mom, Mimi and Great Grand. You are in our hearts forever and ever- till we see you again.*

*God is perfect in so many ways,*

*I LOVE YOU FOREVER!*
