ME

“ So sorry to hear about Dolly's passing. She was quite a lady-- always there for her granddaughter Christine (who I had the pleasure to coach for a few years), always a smile on her face and something funny to say to keep us laughing. Dolly was a nurturer to all around her, taking care of all the kids on the team as if they were her own blood. We lost a good one...but her memory will live on in the hearts of many.

“ It was a special time when the McAfee family welcomed Doug & I on weekends. Great folks, golf, swimming, yummy food and tons of laughing. Wonderful memories :)

“ I met Dolly about 20 years ago after becoming friends with Holly. I saw her several times over the years and she made me feel like an adopted daughter. She had the biggest hugs and her laugh was the best. My mom also met Dolly years ago. My mom travelled several times to Orlando for work and Holly and Dolly would meet up with her and visit and always had a great time! Holly, Tini and Sammie, I send the biggest hug to you all. Heaven gained a beautiful angel. My thoughts and prayers are with all the family. Love you!

“ Dolly, Big Heart and even Bigger Smile. My Son Nicholas loved coming to the house to help Gram make her cookies. ❤️ To all of the family I am so sorry for your loss. I'm sure you have many many wonderful memories that will live on forever.
