“ Aunt Frances will be missed very much, a kind and loving person never had a bad word about anyone. I remember when we all got together for a meal I would always ask to let aunt Frances make the cornbread, a great cook. There will be some great meals cooked in heaven by a lovely woman.

“ Aunt Francis will always remain in my favorite memories of growing up. She was a great women and somewhat of an entrepreneur. Heaven probably needs a produce stand or a good auto detail shop. She will help get them up and running I'm sure. You will be missed!

“ I remember visiting Grandma. We would pick oranges from the groves every visit. She gave great gardening tips and recipes you don't find in books. I could sit and listen n to her talk for hours and never hear the same story twice. She was a wonderful woman. .. The kids and I will miss her.
