“ Bud, you don't remember me but when you and Frankie were at St. Mark Methodist in Pensacola, I was just a little tyke. You all were newly weds and no children at that point. I have fond memories of singing the Messiah with you in the old church on 9th Ave a block or 2 farther south than Gadsden Street Meth. I have thought of you so often and offer my heart-felt condolences to you in the absence of Frankie in your life. I was Laura Lane, daughter of Wray and Evelyn Lane. We lived on East Mallory between 9th and 10th Ave. Would love to know where you're living now. We're a bit south of Ocala, FL, in the retirement community of On Top of the World. Recently discovered Betty Jo Taylor, also of my vintage—we grew up in St. Mark together—who has relocated near here in Silver Springs. We're both 81 so it's been a long long time since we were little girls. Would ove for you to get in touch—864 525 5236 or laurabender40@icloud.com

“ We were so Sorry to hear of the death of our dear friend Frankie Frankie. But we know where she is and someday we will see her again. My one special memory happened when I left Cheney to go to guidance at a school across town Mr Berkner hired her to fill my sixth grade Spot. Two years later I returned to Cheney and they created a class for me. Then began the sweetest friendship that lasted through the years. May God comfort and hold you all close to him. Our love and blessings, Tom and Patty Ard
