“ Dear Frank, I just found out today of your passing. You were beyond a great friend and treated people with such respect. Your heart was bigger than life itself. I know the good LORD welcomed you with open arms and a big smile. My favorite memories of you are when we were at all the weightlifting meets all over Florida. The Bambi Motel before The Sunshine State Games will always be my favorite my friend. May GOD keep your family and friends safe til we see you again my friend. Peace and Love always, Tom Miller
