“ *Larry & Pat Freeman - Friend posted a condolence Skip Lilly was a wonderful man and a great friend. We were his pastors when he accepted Jesus into his life. Everyone that knew him knew that Jesus Christ was #1 in his life & after that his family. We have heard his story many times about dying on the operating table & going to Heaven. Skip, you are now with your maker enjoying all that you saw. We will always cherish knowing a great man like you.*

“ Astra Lilly-Keena - Daughter posted a condolence My Dad was a very compassionate man, very caring and most of all, very giving to many people in his life. He considered friends as family, not just friends, and he had a huge family. He lived a very full God filled life. He was a Son, Uncle, Brother, Cousin, Father, Friend, and a dedicated Husband to his wife Wanda of 40 years. He touched many peoples lives though the years. He will be remembered by many for his caring, and giving life. He always had a huge HEART and the greatest SMILE!! He would give and not expect anything in return, even at times that he really could not give, he did anyway and then he would go without, to make sure that person had what they needed. I am so proud to call him my DAD! I will miss him dearly, he was not only my Dad, but my best friend. Even though I live in Michigan, we talked on the phone and confided in one another many times. He was good at giving advice, but most of all just listening. He had huge shoulders and carried a lot of weight from other people who he was helping. I will miss him, until we meet again. R.I.P. Dad ! I will always love you! Your daughter Astra.
