ME

“ I met Mr. Burnett many years ago and regret not having more opportunities to appreciate his quiet, friendly demeanor or spend more time absorbing his calming wisdom. Though successful in service to his country and then in business, I imagine his greatest achievement is his legacy that lives on in his family and the people whose lives he touched. Though he will always be sorely missed, I pray for the days when his family can look back with a smile and feel the peace of a fond remembrance.

“ Mr. Frank was a very caring and compassionate person. His wisdom gave me directions in some challenging moments. He will be deeply missed, but I know without a shadow of doubt he has a special place in Heaven. Mr. Frank will always be in my thoughts, but most of all in my heart. My prayers are with you all.
